(Intro)

Start a whisper...

(Instrumental) Bm G A ($\frac{3}{4}$)

(V.1)

Bm G A Bm
As I woke up, with lights upon me and strange instruments shaking over me, what happened to the
G A
car I was in and a, where is my brother?
Bm G A Bm
They said to me as I was shaking "you need to stay down this operations not, finished yet, but my
G A
senses told me otherwise...lies

(CH)

Bm G A
And it's a strange affliction in my head, ahh, start the engine I need to prepare,
Bm G A
Out there somewhere, he is lying, out there somewhere Freedom in dying

(Instrumental) Bm G A ($\frac{3}{4}$)

(V.2)

Bm G A
So I ran for my life into the mountains my car and the night, seeking wonders
Bm G A
The knock to my head got me thinking of what I should have done.
Bm G A
The Moon wanted in, so I let her, and we travelled to the worlds end where I
